Work Experience

Adops QA Team Lead

2017 - 2019

- *YourBow, Belgrade (remote)*
- Led a team of four AdOps QA specialists, collaborating closely with them on daily responsibilities concerning publisher-side direct-sold campaigns across 25 US news websites, utilizing Google ad servers.

Meta Media Buyer

2019 - 2020

- *Elian Media, Belgrade (remote)*
- Oversaw Facebook ad campaigns for diverse E-commerce clients, executing top-of-funnel (TOF), middle-of-funnel (MOF), and bottom-of-funnel (BOF) strategies, along with comprehensive retargeting, to optimize key metrics and maximize the return on advertising investment.

Senior Meta Media Buyer

2020 - 2023

- *AR Top Media, Belgrade (remote)*
- Supervised ad spends of up to \$200k monthly for lead generation across a range of clients in the finance niche. Spearheaded the development and upkeep of a tailored, sophisticated tracking and reporting infrastructure specifically designed for lead generation purposes.

Senior Meta Media Buyer

2023 - present

- *UNLMTD agency, Belgrade, Serbia*
- I am responsible for Meta and LinkedIn ad management for both clients and internal initiatives, taking full ownership of numerous projects from inception to execution. This includes implementing comprehensive tracking setups utilizing tools such as Google Tag Manager (GTM), Supermetrics, Mixpanel, and GA4. Additionally, I construct advanced backend configurations within the GHL framework
